MLS NEXT FEST 2026 FAMILY GUIDE

December 2 – 13, 2026 · Arizona (Scottsdale & Mesa). Everything SC Wave Homegrown and Academy families need to know.

Kickoff times are not finalized until closer to the event, so flights must be booked around the potential first and last kickoff times below — not a guess at the actual match time. Clubs that book outside these windows are on their own.

CONDUCT & BANNED TERMS

Read before every match

"MLS NEXT prohibits discriminatory conduct and a red card will be issued to anyone who uses a Banned Term or makes a discriminatory gesture, and they will be suspended from future games. Yellow cards will be issued for unsporting behavior to any player who taunts the opposing team. Respect your opponent and the game, and let your play speak for itself."

— Read by the Match Official before every MLS NEXT Fest match

If a banned term is used mid-match: player tells the coach/referee → referee stops the match and addresses both coaching staffs → MLS NEXT staff come to the field before play resumes.
